

HELPING MEN WIN. IT'S WHAT WE DO.

BIBLICAL MANHOOD - DISCIPLESHIP - LEADERSHIP

Men of all ages face unique personal challenges and are becoming vulnerable to a secular worldview that is destroying the foundations of marriage and family.

The manhood crisis can no longer be neglected. So, we're responding with The REAL MOMENTUM Academy, a men's small group mentoring approach that focuses on biblical manhood, discipleship, and leadership to develop the next generation of faithful men.

GROUP MENTORING

Mentors intentionally pour into a group (4) of guys once-a-month for 2/3 hours for 9 months (September - May).

READING ASSIGNMENTS

In between meetings, the group reads a carefully selected book and writes a one page net out of what they learned.

MEMORIZE SCRIPTURE

Between sessions, mentees memorize 1-2 assigned verses of Scripture and come prepared to recite them.

SPIRITUAL GROWTH

Mentees complete monthly assignments to help them become better husbands, fathers, leaders and followers of Jesus.

BROTHERHOOD

Through the shared pursuit of biblical manhood a strong brotherhood develops as the mentees learn to build accountability.

APPLICATION PROCESS & COSTS

We are taking applications at realmomentum.org/menteeapp for participation as slots are limited. The cost is \$200.00 which covers the purchase of the books and essential resources.
