**Baptisms** // We had a new members class last Sunday and I reminded them that after you have received this Jesus of the Bible as Lord and Savior and are choosing to follow him...you need to be baptized! Now I can't make you do it...but I've got to tell you that's what the Lord has told us we need to do. It is warm and sunny and a great time to take care of a simple thing that God wants us to do. I'm ready when you're ready! Give me a call and we'll celebrate with you in a short, simple and yet crucial act. Text me and we'll set it up...Pastor Joe 559-260-7363

**Walking with Jesus  
Micah 6:8 NLT**

**He has shown you, O mortal, what is good. And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God.**

**Why does Horn of Africa exist?**

A third of those living in the world today (over 7,000 people groups) have not heard the gospel in a way that they can understand. Because of this, Jesus is not being worshipped by every tongue, language, tribe, and nation. Many of these people groups live in the Horn of Africa, North Africa, and the Middle East.

Since the beginning of Horn of Africa in 2002, workers have been using the disciple making movement (DMM) strategy to see disciples who make disciples, churches that plant churches, and movements which birth movements.

Horn of Africa has helped to pioneer the beginning of movements in many of these unreached people groups.

**Vision**

To plant Christ-honoring, culture-affirming churches among least-reached people groups of the Horn of Africa and beyond.

**Mission**

Use Disciple Making Movement (DMM) strategies to bring the good news to every people group in the Horn of Africa, North Africa, and the Middle East.

**NOTES:**

**FISHING DERBY, OCTOBER 5TH** // Quail Lake Church is blessed with its own lake and in that lake are some wonderful fish! So...we are going to have a Fishing Derby on the first Sunday of October! After worship we will have pizza for everyone and at 11:30 am we will begin our derby. Any age can compete, and we encourage kids to be a part of the fun as well. Exactly at 12:30 pm we will sound the stop whistle and crown all our winners. The fish are waiting...come and get them!

**TRUNK OR TREAT** // Yeah...the year is rushing to a close! Before you know it Halloween will be here. And it is our tradition to have a safe and positive place and experience for kids to do their Trick or Treating. We are asking you to help us with different kinds of games and activities that we can have on our central parking lot and let those kids earn all the candy they can handle. So, we will need your help in setting up a “booth” in our parking lot and we will need to start collecting lots of candy to give away to all the kids who come to join us that evening. We will start at 6:00 pm and close at 7:30 pm. For more information on what kind of “booths” are possible, give Pastor Joe a text at 559-260-7363 and we can talk. I already have two things that I’m going to do. Come and give our kids and their friends some good old-fashioned fun.

**OPERATION CHRISTMAS CHILD** // Will be starting soon. This is our chance to make a youngster won’t have anything for Christmas an opportunity to have a real gift and to hear about the Jesus of the Bible and his birth, life, death and resurrection. Information will be out in just a couple of weeks, but we wanted you to know that here is a chance to make a difference in a child’s life this Christmas. Keep watching that Welcome Table on Sunday!

**COAST CAMPING** // I just got back recently from a time at the central coast. And I loved being at the beach and in that Pacific Ocean! Just a heads up...I’ve already talked with some folks about having a weekend at the beach and would love to have you join in. We are still in the talking stage here, but the idea so far is to have some camp spots at San Simeon Campground or even the Morro Bay State campground and have a Friday/Saturday time together and I will be back for church on Sunday morning service. Not sure of all the details, but I love body boarding and hitting those antique shops. Interested? Let me know and we’ll see if this is something we might do this Fall.

**AWANA HAS STARTED** // A reminder that our AWANA club has started. Don’t miss this opportunity to allow your kids to grow closer to this Jesus of the Bible and to build his word into their hearts. Bring your kids any Wednesday night and sign them up for our awesome club!
