

Bethlehem Processional
Singing Warriors with adults

Come, O come to Bethlehem, Join with us to search for Him.
Prophecy leads to the town — where the infant King is found.

Come look, the star that lights our way — fills the air with joy and praise —
Though the dusty road is long, hope and faith will lead us on.

See the star is shining bright, filling all the world with light;
And proclaims across the sky, “Glory be to God on high.”

See the Child of Bethlehem. Bow down and worship Him
Gifts of love and praise we bring — to the holy infant King.
