Returning to Old Paths

Returning to Old Paths seeks to identify and understand what is gained and what is lost when new forms and practices are implemented. The scope of this topic can zoom in on a discipline such as education and the introduction of personal computers in classrooms, but also zoom out to broader subjects like manufacturing and the introduction of automation. Returning to Old Paths is not primarily concerned with electronic technology, but expands across a broad scope of sectors like Pharmaceutical Drugs, Food Sourcing, Higher Education, and Health. Concerning Christianity, Returning to Old Paths is used to identify and understand what is gained and what is lost when a new form is introduced into the life of the Church. Join us for this thought provoking Winter Conference!

All Saints Church

JOIN US SUNDAYS AT 11:00AM

All Saints Church is a Reformational and Covenantal Congregation in the Communion of Reformed Evangelical Churches (CREC). All Saints was founded in 1999 - we are blessed to be celebrating our 25th anniversary this year! Our vision is to grow in love and to reach out in love because we worship the loving God of the Bible - Father, Son, and Holy Spirit. We gather to renew our relationship with Him and one another in the Biblical pattern of historic Christian liturgy. In this we affirm God's promises to us and our children and are commissioned to live Christ-centered lives in the world.
