**Groups grow people:** They meet regularly for Bible study, community, and outreach.

**Teams get things done:** They serve the Church or the community on a regular basis.

*"The health of a church is directly related to the strength of its teams." - Jim Putman*

3. The Plan: Entrust opportunities to a team of **Spirit-filled** servants. (v. 3, 5-6)
4. The Payoff: The Word increases and disciples **multiply**. (v. 7)
