

# CCPC Pacesetters Spring 2024 Schedule

All events include: 11:30 Catered Lunch with Reservation / 12:30 Program w/ Speaker  
\$15 at the door or pay online

## Friday, January 19<sup>th</sup>

Life doesn't always follow the perfect course. And when it doesn't, how do we navigate some of the more painful times of our lives? **Jane Davis** will kick off our Pacesetters season by giving her encouraging and inspiring testimony "**Hiding God's Word In My Heart...Healing Life's Pain With Scripture.**" She will share about how she survived one of the biggest losses and tragedies one can experience in life, the loss of a child, through scripture memorization. Come and hear about the healing and transformation that can happen in life through the power of God's Word!

## Friday, February 16<sup>th</sup>

**Kevin Snow** with **Treasure Box Tours** will be giving a fascinating presentation on the various **Castles of Colorado**! Join us for a look at the memorable stories, phenomenal pictures, and interesting history of these wonderful structures as well as the names of those who built them. Come cross the drawbridge and join us for this wonderful presentation!

## Friday, March 15<sup>th</sup>

Author, Historian, and Chautauqua Speaker **Gail Beaton** will join us to perform a fascinating reenactment of "**Rosie the Riveter.**" Rosie the Riveter was the name given to women war workers during World War II, who lived and worked throughout the United States welding, making bullets, and doing a wide variety of factory jobs vital for the war effort. Learn about the character Gail Murphy, a "Rosie" and bullet case worker at the Denver Ordnance Plant, as well as the great contributions that women made to World War II efforts!

## Friday, April 19<sup>th</sup>

**Dr. Fabian Consbruck** is a Doctor of Clinical Psychology who specializes in administering cognitive evaluations to adults dealing with dementia and other neuropsychiatric conditions. His presentation will discuss the definition and scientific profile of Alzheimer's disease risk factors, prevention techniques that are empirically validated, how to obtain a diagnosis, treatment options and navigating the health care system, and help that is available for families. Come be enlightened in this very educational and important program.

## Friday, May 17<sup>th</sup>

**Dr. Scott Wenig** is professor of applied theology, church history, and biblical preaching at Denver Seminary. Dr. Wenig will be giving a presentation entitled "**Lessons from Church History,**" which will examine moments throughout history that contain similar cultural phenomena to our world today and discuss how we can navigate these cultural issues as the people of God and church for our generation. Come learn and be inspired by how God is at work in this day and generation!

**\*To register:** Visit the CCPC app, the sign-up form in W@C emails, or call Abigail at 720-722-5786!
