

The Power of a Blessing

What a Blessing Is

There's a principle of first occurrence in the Scriptures.

The first time a word is used is a big clue to what it means throughout the Bible.

God blessed Adam and Eve, and He said to them, "Be fruitful and multiply..."

This second part of His sentence was not in addition to the blessing. It IS THE EXPLANATION OF THE BLESSING.

Melchizedek and Abram

The veil in the temple was torn at the moment of Christ's sacrifice.

**“If anyone
gives a drink
of water in
My name,
they shall not
lose their
reward.”**

**“May the Lord reward
your work, and may
your wages be full
from the Lord, the
God of Israel, under
whose wings you have
come to take refuge.”**

**Obed is a
type of Christ**

BLESS

and curse not

**Samson's
testimony...**

**...from
weakness,
made strong**

**Your seed
shall possess
the gates of
their enemies**

~Main points~

- 1) A blessing is an activation to be fruitful
- 2) The blessing must flow from the Source, Possessor of heaven and earth.
- 3) Priests have authority to bless, and God stands behind that if we are aligned with Him.
- 4) When you pronounce a blessing, God may use you to make it come true. 😊 We don't want to be clouds without rain.
- 5) Bless, and curse not
- 6) In Christ, the Father has sworn "in blessing I will bless, and in multiplying I will multiply and your seed shall possess the gates of their enemies."
