Acts: Conflict with Culture
Acts 19:8-20

Introduction

Greet one another and pray before you begin discussion.

Read: Acts 19:8-20

Discussion

1. Why is it important when reading our bible to identify the difference between descriptive (what happened) texts and prescriptive (what should happen) texts? What is the danger of mixing these up?

Examination

2. Discuss Paul's experience in the Ephesian synagogue compared to previous cities. What similarities and differences do you see?

3. What might a ministry in the "Hall of Tyrannus" look like in today's world?

4. What lessons about the gospel can we glean from the sons of Sceva?

5. What evidence of genuine repentance can be seen in the people of Ephesus?

Application

6. How vs. 10 and vs. 20 encourage us to be Word of God driven disciples?

7. Have you been tempted to worship Jesus for what He can do for you rather than for who He is? How do we prevent ourselves from falling into this trap?

8. Many of the Ephesian believers rid themselves of the books from their former way of life. Are there any practices or pieces of your old sinful nature that you need to get rid of? What is your plan to make this happen?
