

August 21st 2022
Renewal: Psalms 2022
Psalm 73

Introduction

Greet one another and pray before you begin discussion.
Read: Psalm 73.

Discussion

1. How does what we choose to focus on affect our attitudes and emotions? How does Psalm 73 reflect this reality?
(Check: Matt 6:22-23)

Examination

2. What evidence of God's grace can be found in Psalm 73? Note the verses.
3. Trace the theme of God's judgement in Psalm 73. How does this doctrine bring comfort and correction to the Psalmist? How can it bring the same to us when wickedness and sin seem to go unpunished in this life?
4. The Psalmist is initially envious, doubtful and regretful (vs. 2-16). How would you describe his state in the latter part of the Psalm (vs. 17-28)?

Application

5. In what areas of your life are you most tempted to envy others? How can you find contentment in Christ in these areas?
6. Respond to the following statement: If you live in sin, you will always be miserable.
7. Does living a life for Christ ever seem pointless to you? What promises of God can be a comfort to you in these moments?
8. What questions are you wrestling with in your faith? Who in the church or your life can you connect with to discuss these?
