Jesus and Little Children

Introduction

Greet one another and pray before you begin discussion.
Read: Mark 10:13-16.

Discussion

1. When did you become a Christian? Did you have any experience with Christianity as a child? If so, how did it impact your faith?

Examination

2. What is happening in this scene? What do you think the parents are seeking? How Jesus go beyond this? (Hint: compare vs. 13 and vs. 16)
3. What is the disciples' response to the people's request of Jesus? Why do you think they responded this way?
4. How does Jesus' shepherd both the disciples and the children in this scene?
5. What does it mean to "receive the kingdom like a little child"?

Application

6. What lessons can we learn from Jesus' elevation of and ministry to children?
7. Brainstorm and discuss the attributes of a "child like" faith? Is child like faith simple or anti-intellectual? Why? Why not?
8. What part / place do children have in the church? What is the Parent's role in the discipleship of children? What role does the local church play?
