Gospel of John  
Doctrines of Grace  
Unconditional Election

## Introduction

Greet one another and pray before you begin discussion.

## Discussion

1. What metaphors have you heard to describe salvation?
2. How do they align with the biblical descriptions?

## Examination

3. What biblical passages are cited to support the doctrine of unconditional election? How does the text refute the idea that God's choice of the elect is based on foreseen faith?
4. Examine John 1:12-13 and Ephesians 1:4. How do these verses contribute to the understanding of divine choice in salvation?
5. What objections are addressed in Romans 9:14-16 regarding God's sovereignty in election?
6. How does John 6:37-39 reinforce the idea that divine choice precedes human response in salvation?

## Application

7. Discuss the implications of unconditional election on the believer's humility and dependence on God for salvation.

How does the doctrine of unconditional election encourage believers to pursue holiness?

Explain how recognizing God's sovereignty in salvation directs glory solely to Him.

8. Reflect on the implications of unconditional election for evangelism and outreach efforts.
