

Week 2: A Love That Never Leaves You

Main Idea: Loneliness is brutal. We are wired to do life in community, and that community starts with a God who never leaves us.

Regardless of where you are or what you've done, God will never abandon you

Bible Verses to Read:

Psalm 139:7-12 *"Where can I go from your Spirit? Where can I flee from your presence? 8 If I go up to the heavens, you are there; if I make my bed in the depths, you are there. 9 If I rise on the wings of the dawn, if I settle on the far side of the sea, 10 even there your hand will guide me, your right hand will hold me fast. 11 If I say, "Surely the darkness will hide me and the light become night around me," 12 even the darkness will not be dark to you; the night will shine like the day, for darkness is as light to you.*

- Do you think humans are wired to live in community? What do you think that means, and why do you think that is?
- What do you think causes loneliness? What do you think causes people to live in isolation? Do you think the two are connected?
- Read **Psalm 139:7-12**. What does this passage teach you about God? What in this passage inspires you?
- *Regardless of where you are or what you've done, God will never abandon you.* Why do you think this truth is so important?
- How might the things you are discovering from Psalm 139:7-12 cause you to live life differently?

FINAL THOUGHT: This week, whenever you experience loneliness or isolation, what will you do to remind yourself that *God will never abandon you*?
