

# EASTER

*At Rescue House*

## Discussion Guide – Overcoming

### Main Idea

This week was Easter Sunday!!! And we saw salvation fall on our house. Pastor Matt brought a message so that all would come to a place of belief in Jesus. We can have all the intellectual understanding that we want, but we must believe in God with our hearts. Belief isn't faith in something, but instead faith in Someone, and that person is Jesus. When we believe, the same Holy Spirit that raised Jesus from the dead, lives inside of us, and is available.

### Make It Practical

- Realize that Jesus will continually search for you
- Take a step to discover who Jesus is
- Give your life to the One who gave His life

**“Everything is possible for one who believes.”**

**Mark 9:23**

### Talk About It

1. It can be difficult to believe God is moving when things don't look the way we think they should. What are some ways we can pursue God's peace and presence, even when we feel like we're fighting doubt?
2. Pastor Matt said that God's power is available to make any dead part of our lives wake up and come alive again. Is there a particular area in your life that you feel needs to come alive again? Explain your answer.
3. Talk about a time when you have experienced the power of Jesus.

**“The resurrection of Jesus wasn’t just an event to celebrate, it is power to be experienced.”**

## **Prayer**

Jesus, thank you for your sacrifice for us, and that you have given us the Holy Spirit. Help us in areas that we don’t believe, to overcome our unbelief. Help us to share the gospel message with those around us too. In Jesus’ Name, Amen.

## **Leader Tips**

Talk about a time when you have experienced Jesus in your own life. Share with them how it made you feel and how God worked in that situation.
