1. *Ministry & Mercy Received!*
2. *Serving Carnality Renounced!*
3. *The Message Problem Resolved!*
4. *The Trouble-Maker’s Power Exposed!*
5. *The Channel for Serving Channel Established!*
6. *The Serving Provision Supplied!*
7. *The Serving Power Secured!*

Q2: Do you struggle/not struggle to ask God to use you like how He used Billy Graham (to impact the nation)? Does any of the above resonate most with your struggle and/or help you be bold to ask God?

Answer: Personal Sharing

Q3: What do you understand between power and authority? What about source and channel?

Answer: Personal Sharing.

Link to point 4 -7 above. Focus on Jesus’ position of authority, and the challenges that Satan will throw our way (and understand his limited power). Understand our role as the channel, and the earthen vessel. We are called to be faithful to share our testimony and believe that the true power to impact lives lies with Jesus & the Holy Spirit. It does not depend on our ability or our strength to “cause” the impact.

Q4: What is your personal message of hope that you can use to share to encourage those around you?

Please take time to practice and share your 1-minute testimony in which you will be sharing for the one one one with pre-believers for your CG IBHFC. Let’s time it and refine it and trust God to use our testimony for His Glory.

Note: key is not to go through all 7 points, but really to pick those that resonates with the group. Focus on applying/understanding this “roadblock/secret” so that all of us will be bold/empowered to reach out and share the gospel, invite our guest, etc especially as we discuss IBHFC in our cell group.
