## Renewed Spirit CANCER Care Ministry

- As of January 2019, there were an estimated 16.9 million cancer survivors in the United States. The number of cancer survivors is projected to increase to 22.2 million by 2030.
- Approximately 39.5% of men and women will be diagnosed with cancer at some point during their lifetimes (based on 2017 data).

*Providing assistance, encouragement, and compassion to families impacted by Cancer.*

*Cancer can't conquer hope!*

*Jeremiah 15:13, Galatians 6:12, Proverbs 13:12*

Cancer attacks the body, while the attack is intrusive on the body and the mind, it does not have to conquer the soul!

There are no requirements to join, you do not have to have been diagnosed with cancer to be a part. Once you join, we will train and guide you by providing unique insight to the disease and God's word. You will learn about different types of cancers, early detection and prevention strategies. We also provide strategies to help support loved ones on their Cancer journey. The Cancer ministry meets every third Wednesday following bible study.

*Thanks for your support!*
