SUMMARY

The Sacraments: Communion

Jesus gives his church the Lord's Supper to remember and proclaim his saving death until he returns. As we receive the bread and cup in faith, the Spirit deepens our fellowship with Christ and one another. We come with repentance and gratitude, depending on his grace.

DISCUSSION QUESTIONS

1. Read James 4:7–10. If Christians are already united to God through the indwelling Holy Spirit, what does it mean to draw near to God? Isn't God already near to Christians?

2. Read 1 Corinthians 10:16–17. How does sharing in the Lord's Supper express and strengthen our fellowship with one another? How should that shape the way we come to the table?

3. Read Luke 22:19–20 and 1 Corinthians 11:26. Why did Jesus give us a tangible way to remember him regularly? Compared with preaching, how does the Lord's Supper distinctly proclaim his death to the world?
