

JUNE 12

YELLOWSTONE NATIONAL PARK

(WYOMING, MONTANA, AND IDAHO)

Yellowstone National Park is the oldest of our national parks. It was created in part to keep one of the world's most awe-inspiring places pristine, to demonstrate our faithfulness to protect God's creation. In our lives, we strive to be faithful: to keep our word to God and to each other, to treat each other like the holy creations we are, to see God in every living thing.

NOTES, REFLECTIONS, PRAYERS

READ

Psalm 117:1-2
Genesis 2:4-17

REFLECT

How have you most felt your faith at work?

Where do you see the growing edges of your faith?

How can you help others strengthen their faith in God and in each other?

PRAY

Giver of All Good Things,
you accompany me through my journey of faith and call me to share your love with others. Help me to be a good steward of your gifts this week. Amen.
