Neighboring Challenge - Neighborhood Map

Review Your Map

Pull out your neighborhood map from week 1.

- Circle the names of neighbors you have actively sought out over the last weeks of this neighboring challenge.
- Put a star next to the names of neighbors you are growing in relationship with.
- Consider: What changes or growth in relationships do you observe? What has made those changes possible?

Make A Plan

- Which people on your map would you like to start or continue to grow in relationship with?
- What are your next steps?
- Which of the practices you engaged in through this challenge will you continue? How will you make space and time to engage in these practices?
