**How Ridgecrest Reaches the World**

**Big Idea: “Missions exists because worship does not.” – John Piper in *Let the Nations Be Glad***

- **Every person exists to worship, and the only way to worship truly is through the Lord Jesus. (v. 9-13)**
- **Knowing Jesus happens through confession and belief.**
  - **Confession is when we say the same thing that God says (*homologeō*) about the Lordship of Jesus.**
  - **Belief has to do with putting trust/faith in Jesus for salvation.**
  - **The reason we can put faith in him is because of the confirming act of the resurrection.**
  - **This decision to trust in the work of Jesus happens in the heart, which is the center of our being.**
- **Those who have confessed the Lordship of Jesus and believed in resurrection of Jesus are called to go and tell those who have not. (v. 14-15)**
- **This is a call to everyone who has followed Jesus.**
  - **What is needed:**
- **Knowledge about Jesus and the Good News**
  - **The Opportunity to Hear About This Knowledge**
  - **The People Who Know and Can Tell**
  - **A Sending of the People Who Know**
- **Being sent means that you are going in someone else’s authority with someone else’s message.**
