

The Family of God

Genesis 2-3

The Family Started, The Promise Given

- **God started the family to bring His goodness to bear on all of creation.**
- **God created humanity to flourish within the fellowship of family.**
- **God designed the family to function under His leadership and guidance.**
- **God allowed the family to follow (or reject) His leadership freely.**
- **God established consequences if the family disobeyed.**
- **God provided for the family when the family failed.**
