

Easter at Ridgecrest
Mark 14:3-9
She Did a Beautiful Thing

- **True Worship is an act of the will.**
- **It can happen anywhere at any time in the presence of anyone.**
 - **It is costly.**
 - **It requires brokenness.**
 - **It requires us pouring ourselves out.**
 - **It requires thoughtful intent.**
 - **It requires singular focus.**
- **True Worship is about approval from the right place.**
- **She anointed Jesus because she believed He was worthy of it.**
 - **Jesus commends her because:**
- **It was a beautiful act of kindness and truth.**
 - **She did what she could.**
 - **She wasn't seeking the approval of others in or outside the room.**
- **She is remembered today because she cared more about the approval of Jesus than the approval of man.**
- **She wasn't interested in being remembered; she was simply seeking to honor Jesus.**
