

THE GOSPEL (1 Corinthians 15:3-4)

Jesus Christ: Son of God

1. Christ died for our sins.
(Romans 5:6-8;
1 Peter 2:24; 3:18)
2. He was buried.
3. He arose from death.

Sharing is Caring

In today's project, we are going to be practicing sharing either of the two methods for sharing the Gospel that we discussed today.

The purpose for this practice is, we need to have a basic fall back plan for sharing the Gospel. Like anything, remembering what to share/say comes by repetition. So look back over the examples, and you are more than welcome to rewatch either/both videos.

In a few minutes, you can use this paper as scratch paper for presenting the Gospel to someone.
