

Pray

I know it may not be as fun as some projects can be, but when it comes down to it, evangelism isn't always fun. In today's project we are going to pray! Wow, what a shock, right? Below you will find a guided prayer chart that I'd like you to fill out, and then pray over when I give the go ahead. I will give you two minutes in prayer before moving to the next category. At the end of it all, we will pray for one another.

The purpose for this practice is to spend time in prayer, feeling the Spirit guide you. Sometimes you may not know who or what to pray for, and that's okay! Let the Spirit tell you. It is for that reason that, while it is a guided prayer, I am leaving the specifics up to the Spirit, and trusting you will follow through in prayer.
