

# God, Give Me a Sign

God, Give Me a Sign — Week 1: What is God's Will for My Life

## Big Idea

Many of us spend time searching for God's will like it's something hidden or hard to find. But Scripture shows us that God's will is less about a single decision and more about becoming the kind of person who trusts and follows Him daily. As we walk with Him, He faithfully guides our steps one decision at a time.

## Warm Up

Have you ever had to make a big decision and wished you had a clear sign for what to do? What made that decision difficult?

## Discuss

### ***God's Will Is About Direction, Not Just Decisions***

**Read Together:** *Proverbs 3:5–6* — Trust in the Lord with all your heart... and he will make your paths straight.

- What stands out to you in this passage about how God guides us?
- Why do you think we often want a clear answer instead of learning to trust God daily?
- How does trusting God differ from trying to figure everything out on your own?
- What is one area of your life where you need to trust God with direction right now?

### ***God Cares More About Who You're Becoming***

**Read Together:** *1 Thessalonians 4:3* — It is God's will that you should be sanctified...

- What does it mean that God's will includes who we are becoming, not just what we do?
- Why can it be easier to focus on decisions instead of spiritual growth?
- How might your decision-making change if your focus was on becoming more like Jesus?
- What is one area where you sense God growing you right now?

### ***God Leads As We Follow***

**Read Together:** *Psalms 119:105* — Your word is a lamp for my feet, a light on my path.

- What does this verse suggest about how God reveals His will?
- Why do you think God often shows us the next step instead of the whole path?
- When have you experienced God guiding you step-by-step?
- What would it look like to take one faithful step this week?

## Practical Steps

- Spend a few minutes each day reading Scripture and asking God to guide your next step.
- Write down a decision you're facing and pray specifically for wisdom and trust.
- Talk with a trusted friend or leader about something you're seeking direction on.
- Take one small step of obedience in something you already know God is asking you to do.

What is one step you will take this week to follow God more closely?

## Apply It

**Reflection Moment:** One area where I'm looking for a sign instead of trusting God is \_\_\_\_\_.

**Action Step:** Choose one step from the Practical Steps and intentionally act on it this week. **Pray**

**Together:** Ask God for clarity, wisdom, and trust. Thank Him that He is actively guiding you.

### Leader Reminder

Keep the focus on trust and relationship, not perfection. Following Jesus is a daily journey.
