

BUILT UP IN HIS POWER

Main Text: Colossians 2:6–7

INTRODUCTION

God's desire is not only that we believe, but that we become strong.

Many believers are saved but not built.

Key truth: Power is the evidence of a built-up life in Christ.

POINT 1: POWER FLOWS FROM BEING ROOTED IN CHRIST

Colossians 2:6–7

John 15:5

Revelation:

You cannot be built up in power if you are disconnected from the source.

Power does not come from effort, position, or years in church—it comes from union with Christ.

Being rooted means:

Total dependence on Jesus

Daily intimacy, not occasional visits

Illustration:

A phone with no connection may look fine, but it is powerless.

Connection determines function.

Application:

If your connection is weak, your power will be weak.

This year of Growth & Stability, God is calling us to deepen our roots.

POINT 2: POWER IS RELEASED THROUGH THE WORD AND THE SPIRIT.

Acts 20:32

Ephesians 3:16

Zechariah 4:6

Revelation:

The Word builds you; the Spirit empowers you.

The Word gives structure; the Spirit gives life.

Without the Word → confusion

Without the Spirit → dryness

Word + Spirit = Power

Illustration:

A building may have a strong design, but without electricity it remains dark and inactive.

The Word is the structure; the Spirit is the power supply.

Application:

Encourage the church to:

Feed daily on the Word

Pray and depend on the Holy Spirit

CONCLUSION & DECLARATION.

Closing Scripture: Acts 1:8

Declare Together:

We are rooted in Christ.

We are built up in His power.

We are strong, stable, and effective for God's glory.

Final Charge:

God is building strong believers, strong families, and a strong church—built up in His power.
