

## **The Return of the King**

**Key verses:** Psalm 2:6-7; Isaiah 9:6-7; Rev 19:11-16

**Theme:** The Kingdom Redeemed

**Big Idea:** Jesus comes to restore the kingdom from the inside out. When he comes again, he will end the conflict and establish his eternal reign over his once-again perfect world. But the new version will be bigger and better than even the original.
