The Progression of Prayer

1 Corinthians 4:20

“For the kingdom of God is not in word, but in power.”

How does prayer progress?

Over time and with spiritual growth during our Christian walk

1. People pray for us.

“The angel fetched Peter out of prison, but it was prayer that fetched the angel.”

- Thomas Watson

2. We pray for ourselves.

3. We pray for others.

4. Prayers are lived out!
