

Sermon Title: “We serve God by serving others.”

Scripture: John 13:4-5; 12-17

What does it look like to serve today?

- We must see the needs of others as Jesus does.
- We must be willing to put the needs of others before our own.
- When you are willing to help others, lives are changed.

Things we must change in us before we can serve others.

- We need to change our perspective.
- Change your position.
- Recognize you aren't the whole solution.
 - Play your role.
 - Do the task you are good at.
 - Fit within God's plan.

Martin Luther King, Jr. once said “Life's most persistent and urgent question is: What are you doing for others?”

Challenge: Get involved, serve others as if you are serving God!
