2020

PowerofDBR began as a passion in the heart of Joel and Amie Stockstill for reading the Bible daily. From there, a book has been written and each year a new reading plan is published.

NOTE FROM JOEL ± AMIE

We love the Word of God and we believe in you. Keep pursuing the heart of God and you will be amazed at what God does in your life.

This year, we crafted our plan to focus on the NT and Wisdom books while still accomplishing a core value of reading every chapter in the entire Bible. Another added dimension this year is finishing Revelation (the end of the Bible) on the last day of the year. This gives a sequential feel and heightens the sense of accomplishment at the end of the year.

HOW TO USE THE SATURATE PLAN

This year, we are providing the pdf of each month. By printing, you can cross off each day after reading and make sure you have finished all the readings. There is something special about knowing you have read every “jot and tittle” of God’s Word at the end of the year.

We encourage you to read the NT and Wisdom books only if you are a beginner in reading the Word daily. It is more important to do something each day than stretch for something that you are not quite ready to achieve. Although we encourage people to read the entire Bible cover to cover each year, not everyone is ready to make that type of commitment and that is totally ok!

In the past few years, we have posted the daily reading in Instagram, but due to the technical restrictions with the Instagram algorithm we will no longer post the reading daily. However, we will be posting special Scriptures and thoughts on the @powerofdbr feed in order to inspire and encourage you as you read along with us.

If you have any questions about the plan please DM us through @powerofdbr on instagram.

Happy Reading and have a great 2019 SATURATING in the Word!!!
