Sermon: 12 June 2022

Part 6

SCRIPTURE

Hosea 14

OVERVIEW

In the concluding chapter of Hosea, Olly speaks on two themes: Returning to God, and relationship with him.

Despite the total unfaithfulness of Israel, they can return to their God. We see the need to acknowledge sin, to see that it is only God who can save, that we're loved freely and God wants us to grow.

QUESTIONS

1. In V1-2 we read about how God wants his people to return to him. What makes you feel unworthy to return to God at times?
2. How is the character of God as a loving Father shown to us in this passage? How does knowing God as a loving Father change the way you view Him and the way you view yourself?
3. How is Jesus the ultimate fulfilment of V4?
4. In V5-8 we read about God's people being transformed and seeing growth. Are you in a season of growth/ pruning/ stagnating at the moment? Pray that you'd see growth in your life.
