

Small Group Notes

Sermon: 07/11/21

Daniel 6

Mark Nottage

Scripture

Daniel 6

Overview

Chapter 6 reminds us that Daniel was faithful and demonstrated a consistent Godly character, regardless of his own circumstances, and regardless of the consequences.

We see this clearly in his prayer life, in the integrity he demonstrated in his employment, in the face of adversity, and in his response to false accusations.

Questions

1. How can we use:

- Daniels example to helpfully challenge and encourage us?
- Our small groups and discipleship relationships to challenge and encourage us?

2. In what ways does this story

- point us to Jesus, and His victory over the accuser? (Revelation 12v10)
- give us confidence that, in the end what God says about us will be the only judgment that will matter

3. What are we going to commit to do in response?
