

SCRIPTURE

Joshua 10

OVERVIEW

On Sunday Olly finished our Resilient Faith series from the first 10 chapters of Joshua. We focussed on the first half of Chapter 10 in Joshua and we looked at how the Christian life is like a battle, how we need to be prepared for battle and who fights for us in the midst of battle.

Read the first 15 verses of Chapter 10 and have a go at answering these questions...

DISCUSSION

1. Why is it hard for us to sometimes realise we are in a spiritual battle?
2. From the first few verses in Chapter 10 how can you tell Joshua was ready for battle?

3. Read Ephesians 6:10-18. What does Paul tell us to attack with? How can we sharpen this weapon?
4. Read Joshua 10:12-14. How does God fight for Israel?
5. Looking back on your Christian walk how have you known God is fighting for you?
6. Are there any battles you're facing at the moment? How can the people of God support you?
