Scripture

Daniel 11:2 – 12:13

Overview

We finished our sermon series on Daniel last Sunday and Olly spoke from Chapter 11 and Chapter 12 of Daniel and led us through 3 points...

1. **War**
2. **Victory**
3. **Perseverance**

1. **War**

At the beginning of Chapter 11 Daniel's vision contains many historical events that have come true. Towards the end of Chapter 11 Daniel's vision switches to the end times with The King of the North and King of the South battling.

#### Questions

- a. Read Ch 11:36 what does this earthly King want to do?

- c. In what ways are we tempted to build our own little empires in our lives and what will become of them?

2. **Victory**

At the beginning of Chapter 12 we see an altogether different King. A King who is victorious eternally.

#### Questions
