

# A masterclass in worship

---

## SMALL GROUP NOTES

*Tom Shaw – 9 September 2013*

This Sunday was our last week of the First Love series. Looking at the example of worship the Israelites demonstrated.

### Scripture

Exodus 15:1-18

### Overview

Throughout this series we've seen the challenges we face as Christians of keeping God as our First Love and how God fights to overcome them and free us to worship. In this final talk we saw the first fruits of worship from Gods people. Seeing that worship is:

1. All about Him
2. Deliberately detailed

### Questions for discussion

1. How can we be those that keep our worship on God and not ourselves?
2. What details of God and what he has done inspire you to worship?
3. How can we continually be those that are full of awe and wonder of the Gospel?
