

# Invited to hear his story

---

## SMALL GROUP NOTES

*Tom Shaw 1/12/13*

### Intro

On Sunday Tom spoke about the seventh significant step in our invited series. He encouraged us that we can be those that share God's story.

### Scriptures

Luke 10:9b, Psalm 19:7-11, Psalm 1:1-4, Hebrews 4:12

### Outline

Through this sermon we looked at 3 questions about hearing Gods story.

1. **What does it mean?**  
Tom unpacked that as Jesus encourages us to be those that say the kingdom of GOD has come. This means sharing his story, helping people encounter and meet Jesus.
2. **Why is it so important?**  
We also saw that inviting people to hear Gods story is so important, both for ourselves reminding us that it's all about him not us & secondly it points people to him the all-powerful mighty God rather than us.
3. **How can we make steps forward in this?**  
Finally we saw that the way to grow in this is to be those that have faith, both for ourselves and also to share with others.

### Questions for discussion

- 1) As a Small Group read Psalm 19:7-11, what jumped out for you about the Bible?
- 2) How are you doing with reading the bible for yourself? What obstacles do you face when trying to read the bible?
- 3) Who could you share Gods story with? Pray for one another, for faith and boldness.
