

## Strengthen your brothers

### Martin Segal

#### **Luke 22:31-34**

In his last sermon before his Sabbatical, Martin left us with this short encouragement from Luke.

He focussed in on the amazing truth that Jesus himself has prayed for us - specifically that our faith may not fail.

Martin then looked at the different ways in which we can strengthen one another:

#### ***By your example:***

- Model devotion
- Model authentic faith

#### ***By your words:***

- Encourage
- Challenge
- Honour

#### ***By your actions:***

- Prioritise
- Serve
- Pray

## Questions

1. Jesus has prayed for us, that our faith will not fail. How does this encourage you today?
2. How have you been strengthened by others in the church before?
3. Review and discuss the list above about strengthening one another.

We have a responsibility from Jesus to strengthen one another. How can we grow in this responsibility? What are some practical things we can start to do?
