

The foundation of being fathered

SMALL GROUP NOTES

Tom Shaw - 30 September 2013

Scriptures

Luke 10:1-4

Outline

Jesus calls us to go and make disciples, over the coming term we will look at what that looks like. However before doing that we need to look at how it feels, understanding our father sends us in love!

When we know this we will see change:

- A) From fear to being fortified
- B) From guilt to being gleeful
- C) From self-reliance to sonship

Questions for discussion

1. When you think about the call from Jesus to go what is your reaction?
2. How can we encourage one another to overcome the fear we face towards mission?
3. What will help us overcome and ensure we aren't sent by guilt but by the Father?
4. Fathered mission sees us being dependent on him; in what ways can we grow in relying on him and not ourselves?
