

Bigger than any Road Block...

SMALL GROUP NOTES

Tom Shaw - July 2015

Theme

On Sunday, Tom looked at the final part of our Hebrews series. In essence it was simple, keep going. In view of all that the writer has already said, we must simply put it into practice. This is easier said than done. Life is full of dramatic and domestic road blocks. Things that can easily stop us from putting one foot in front of the other, spiritually speaking, range from emotional and physical things to social and work related.

Scriptures

Hebrews 12. 18-24

Outline

The call to keep going echoes in our ears as we finish Hebrews. There were two keys Tom gave if we're going to keep going and not give up: 1. Remember the bigger picture 2. Remember the better blood

Questions for discussion

1. What strikes you when you read verses 18-23? How can these mindboggling truths have practical application?
2. Read v 24. In what way is Jesus' blood better and speaking a better word than Abel?
3. What is a mediator? In light of Jesus sprinkled blood how is he a better mediator than any other?
4. As a result of what you've looked at today, is there anything you could do differently this week?
