

# Who Do You Think You Are – Part I

---

## Small Group Notes

Tom Shaw 28/5/12

### Introduction

On Sunday we made our first step into the book of Ephesians, with the universal question of 'who am I' in mind. Ephesians perhaps uniquely answers this question. Verse 3 was examined with particular focus on 'every spiritual blessing' and 'in Christ'. It was suggested that this phrase 'in Christ' is key in our whole understanding of our identity as Christians.

### Scriptures

Ephesians 1 v 3

### Questions for discussion

1. What labels have you put on yourself?
2. Reading Ephesians 1 v 3, what emotions are stirred?
3. How does knowing you are in Christ affect the way you view life?
4. Tom touched on four areas that directly flow out of our identity in Christ;
  - Worship
  - Unity
  - Holiness
  - Mission

How can we as a small group encourage one another in these areas?
