

# Invited – Share a meal

## SMALL GROUP NOTES

*Tom Shaw - 12 October 2013*

### Introduction

On Sunday we looked at part 3 of our invited series looking at the power of meals in mission.

### Scriptures

Luke 10:7-8

Luke 5:27-32

Luke 7:36-40

### Overview

Tom helped us see the importance of food and socialising with those that don't know Jesus. We saw how meals are an amazing way to help us in showing Jesus to those around us in 3 ways;

- 1) It points to HIM - showing Jesus is a God of love and acceptance
- 2) It points to US - showing how normal and unimpressive we are
- 3) It points to THEN - showing what will be a key part of eternity with Jesus

### Questions for discussion

1. What encourages and challenges you when reading Luke 5:27-32
2. How are you doing as individuals/small group at eating with those who don't know Christ? What can hold you back from doing it?
3. When considering the Bible tells us that we will be banqueting in heaven, how does that affect your attitude towards meals?
4. Getting practical, who could you invite to have a meal with or what invitation can you say yes too?
