Head On: Prayer

Lyndall Bywater

On Sunday we had Lyndall Bywater speak on Prayer Head On, helping us to understand God's heart towards us and the role of prayer in our lives.

Scripture

Mark 1:40-45

Overview

We heard such a helpful word around the character of God and place of prayer. Using the story of a man in need of healing, Lyndall showed us that Jesus isn't a God who is distant and disinterested, but who is moved towards us. His heart is for us and He has compassion towards us.

He is also with us, fully present in our lives. This is not a truth for us to know just in our heads but also to feel in our lives. Finally, He wants to heal and act our lives. He deeply cares about us, seeing us in pain and hardship brings Him no joy but He does work through it for our good and His glory.

Questions

1. What do we learn about God's heart for us from the scripture above?
2. How do we approach God in prayer? Why do you think that is?
3. How do you need to be touched by God?
