

Father forgive them

SMALL GROUP NOTES

Geoff Maile

Intro

On Sunday our speaker Geoff Maile began a new mini-series looking at the *last words* of Jesus as he was crucified on a roman cross. Together we looked at some famous last words from well-known people from the past. We also saw how Jesus communicated and modelled profound gospel truth through the things he said.

Scriptures

- Luke 23 v32-34
- Jeremiah 5:v1
- 1 John 1 v9

Overview

- What did Jesus do? – the Gospel modelled
- What does it mean for us – the Gospel effect
- What should we do now – the Gospel outworked

2. What is your initial reaction to the words Jesus said “Father forgive them for they know not what they do?”
3. How does knowing that you are forgiven affect your day-to day life?
4. Why is it important that we forgive others?
