Sermon: 21/11/21

Shoebox Sunday

Sara Davis

Scripture

Mark 10:13-16

Overview

Jesus declared the coming of the kingdom throughout His ministry. God's Kingdom can be understood as rule of God where His will and His way is known.

Sara helped us see some key aspects to the kingdom that we as God's people get to enjoy for ourselves and share with others:

- Salvation from sin & death
- Power to love and obey
- Freedom from addiction and anxiety
- Exchange our fears and sins for His peace and holiness
- Hearing Gods voice through the Bible and the prophetic
- Healing physically, emotionally and mentally
- Provision and satisfaction

Each of these aspects of the kingdom are for us to know in our lives and to share with the world around us. To be a Christian is to have Jesus' rule as Lord over our lives and be empowered to proclaim the Kingdom to others.

Questions

1. How do you need to know the Kingdom of God expressed afresh in your life today?
2. What stops you from sharing the Kingdom with the works around?
3. How have you seen the Kingdom come in the last week?
