

“Walking in the Shoes of God”

Hebrews 4:11-16

Many Christians struggle to find meaningful change in their lives. They work themselves to the bone but never seem to achieve the rest or “easy yoke” that Jesus promised. What if God intended for our lives to look differently than we think? What if He has given us the answer to our problems but we have believed a lie? If we are to truly live the crucified life, maybe it is simpler than we thought.
