“A Cosmic Offense’
Ephesians 4:25-32
Pastor Philip A. Jackson

In this section Paul gives practical instruction on the mindset of believers regarding conflict with each other and God’s response to division within the church. He transitions from the command to put on the new man to illustrate the natural response of a child of God to the difficulty of human relationships. Through a compare and contrast method, he highlights the practical ways that a child of God takes off the old man, and puts on the new.

1. Lies and truth (4:25)

2. Anger and peace (4:26-27)

3. Stealing and generosity (4:28)

4. Tearing down and building up (4:29-30)

5. Revenge and forgiveness (4:31-32)
