

Easter, Seen and Unseen
“Hidden in Plain Sight”
Acts 2:41-47

Church buildings stand on virtually every street in Tulsa, OK; and yet people drive past them every day with little notice. It is because the buildings hold no special attraction. The power and presence of God is hidden right in plain sight...not in the buildings, but in His people scattered throughout every generation. Our job is to make the invisible visible.

1. Invisible Power Creating a People (vv.41-43)

2. Invisible Bond Creating a Family (vv.44-46)

3. Visible Passion Creating an Impact (v.47)
