

John 1-4: The Word Made Flesh
“Reproducing Christ-Followers”
John 1:14; 2:1-16

A non-negotiable part of God’s redemptive purpose is His determination to transform people into obvious representations of Jesus. But what does it mean to “be like Jesus?” We could make a long list of character qualities; but the longer the list, the less we grasp the goal. God offers us a simpler definition of Christlikeness.

1. DNA of Christlikeness (1:14)

2. Truthful Grace (2:1-11)

- **Sensitive to People**

- **Sensitive to God**

- **Sensitive to Need**

3. Graceful Truth (2:12-16)

- **Concern for People**

- **Commitment to Holiness**

- **Courage to Stand Alone**
