

Psalm 147 Notes

Being right with the Lord of Creation *Heals* and *Reveals*.

Having Right Perspective; Creates Right Response; Establishes Right Relationship

Right Perspective:

He Cares for His People (v2), Individuals (v3), and the Vast Creation (v4).

V5-6 - Realizing who they are in light of who God is gives *Right Perspective*.

Right Response:

He Loves and Cares for All Creation (v8-9), Not just because we're impressive like a powerful warrior (v10).

V11 - All creation depends on Him. Proverbs 1:7 shows the *Right Response*.

Right Relationship:

Through His power and wisdom His people are secure and provided for (v13-14).

Through His power and wisdom He governs the processes of nature and the seasons (v15-18).

Even greater than provision for creation is the provision of His Word (v19).

V19-20 - because of His Providence and His Word, realize you're blessed and have been given the opportunity to have a *Right Relationship*.

So what do you do with that blessing?

Share it, say it, Praise the Lord! (v1, 7, 12, 20)
