

The Kingdom...and Other Mysteries

“Mystery of Resurrection”

1 Corinthians 15:35-58

Very early, cynical questions were asked in Corinth about bodily resurrection. Some asked, “How are the dead raised? With what type of body will they come?” Paul answers these and other questions by unveiling the mystery of God’s working. By omnipotent power, God gifts to believers a body consistent with the promise of the gospel and suitable for life in eternity.

1. The Power of God Will Provide a Resurrection Body (vv.35-41)

2. The Resurrection Body Is Appropriate for Eternity (vv.42-49)
