

## ***Mark 11-16: Passion and Victory***

### **“Arrival of the King”**

**Mark 11:1-11**

*Mark’s Gospel has been described as a passion narrative with a lengthy introduction. Seen traditionally, Mark places the arrival into Jerusalem on Sunday, cursing of the fig tree and clearing the Temple on Monday, final conspiracy and anointing on Wednesday, Passover and arrest on Thursday evening, trial and crucifixion on Friday, and resurrection on the following Sunday. Here the Messiah enters His capital city in clear fulfillment of OT prophecy.*
